

RESUMÉ

Since 1989 Dr. Dieter Suedhofen has been working for Creditreform, the leading supplier of commercial credit information and debt collection services in Europe. He is presently head of international business development. Since 1995 he acts also as the secretary general of Creditreform International, which is the umbrella organisation of the Creditreform companies in currently 19 European countries. Before his position at Creditreform he was employed at Philips Kommunikations Industrie AG and responsible for the strategic marketing.
